Welcome

Dear YWP, on behalf of the Organizing Committee, we want to invite you to the YWP-Day which will be held on September 17th, 2017 in the frame of the Micropol & Ecohazard Conference 2017. The conference is the 10th Biennial Specialist Conference of the IWA SG ACHSW.

The YWP are THE important part of the community of scientists and practitioners, as you are the next generation. You as Young Water Professional (YWP) will be the future water leaders and it will be up to you to create the sustainable water sector with all its facets.

The **YWP-Day** and the **IWA Micropol2017** conference in Vienna offers practical and effective ways for those of you who are interested in a water sector career by following your interests and gaining experience. There will be the chance for networking with colleagues from many different countries. After the conference on Thursday September 21st, 2017 you will also have the option to select from 3 different field trips.

We wish you an exciting and informative YWP-Day.

Date: 17th of September.

**Venue: University of Natural Resources and Life Sciences Vienna, BOKU,
Muthgasse 18, 1190 Vienna,**

Lecture room 21 in Muthgasse I (please follow the signs)

Workshops will be at the 2nd floor in Muthgasse I in 3 different rooms (please follow the signs)
